Say hello to your new home at 93 Seaham Street, Holmesville.

Settle in to this adorable home, with great street appeal, but the attraction doesn't stop there, with dual driveways from the front, a drive through carport leading to garaging that easily houses multiple vehicles, there is plenty of space for all the family's toys and more.

Once you step inside, you'll notice high ceilings, huge rooms, and wide timber floorboards throughout, while the huge living area features a slow combustion fire.

Step out the back door into a large covered alfresco area with its own outdoor pizza oven. While you relax with family or friends the kids will have a ball on the massive block which includes an immaculate in-ground swimming pool
